LORETO DAY SCHOOL, ELLIOT ROAD

FROM THE PRINCIPAL'S DESK

It is with immense pride and a deep sense of commitment that I extend a warm welcome to all who are part of the Loreto family. Our school stands as a beacon of excellence, rooted in the timeless values of justice, sincerity, and service, inspired by the vision of Mary Ward.

At Loreto, we go beyond imparting knowledge—we cultivate critical thinking, nurture creativity, and instill a profound sense of empathy and social responsibility in our students. Our holistic approach to education ensures that each child is empowered to embrace challenges, lead with integrity, and contribute meaningfully to a dynamic and ever-changing world.

We are committed to providing an inclusive and stimulating environment where academic rigour is complemented by opportunities for personal growth and character building. Our dedicated faculty strives to foster a culture where curiosity is encouraged, diversity is celebrated, and lifelong learning becomes a way of life.

As we move forward, we remain steadfast in our pursuit of excellence, embracing innovation while staying true to the cherished traditions that define us. Together, we will continue to empower our students to become compassionate leaders and catalysts for positive change. Thank you for your unwavering support and trust in our mission.

HEAD GIRL'S MESSAGE

It has been a remarkable journey leading this wonderful institution, Loreto Day School, Elliot Road. Throughout this journey, I have experienced countless things and discovered a new version of myself. I have learned that every day is a fresh start, bringing new opportunities and expanding the scope of our learning to mould us into better versions of ourselves. Life is like a rollercoaster—it has its highs and lows, but the only way to truly enjoy the ride is by embracing it and maintaining a firm grip. Every low point brings the promise of a steep rise ahead. So, savour this exhilarating ride and keep uncovering parts of yourself. One day, you will be amazed by how far you have come.

VICE HEAD GIRL'S MESSAGE

"People will forget what you said, people will forget what you did, but people will never forget how you made them feel" – a famous quote by Maya Angelou – resonates strongly with me as I write this. A true leader is one who is fondly remembered by people. It is the people who put you in a position of power, so instead of letting it inflate your ego, utilize it to bring about positive change. Make them feel seen, heard, welcomed, and respected. Respect will naturally come to you, and you will be recognized and valued as a leader.

SHELF LIFE

The illusion of a perfect life,
Is forever waiting to arrive.
With heavy hearts carrying healing wounds,
With each recovery making us immune.
With the anticipation of the future,
Life seems like an unfinished sculpture.
Let the journey unfold itself,
Spreading the everlasting essence of our own self.

'अन्याय'

पूरी दुनिया को बता दो, कि पृथ्वी पर कोई समकक्ष नहीं,
सारी दुनिया को समझा दो कि 'अन्याय' का कोई अर्थ नहीं।
जिसे जो करना होता है, वो तो वह कर लेते हैं,
सहने वाले का भी क्या दोष,
तब भी वह सह लेते हैं।
दोषी को नहीं मिलता सवाब,
मगर ऊपर जाकर सहने वाले को भी ईश्वर को देना पड़ता है जवाब।
हमे डर का सामना कर, बता देना चाहिए क्या गलत, और क्या सही,
अन्यायी का तो पता नहीं मगर अन्याय सहने वाले का कोई अर्थ नहीं।

काना माथा पथेर धारे,

SHE

The newly wed bride
Is singing by the window,
That's when the letter comes in
Cruelly making her a widow.

The mother of a son
Is in excruciating pain.
He said he was coming back
But his train never came.

The little girl waits
For her father's loving embrace,
But she doesn't know yet
That she'll never see his face.

All the sisters at home
Are praying to God
He is their only brother
Oh please, save him Lord.

That girl in the alleyway
battle,
So they battle no more.
Is stopped by a boy,
She is stripped of her dignity,
She is used like a toy

They never once taught her,
The art of self-preservation,
So those dogs hunt her down,
And she longs for protection.

While you fight in the war,
Your wife cuts her heart.
To feed your hungry children,
It's tearing her apart.

You were shot in the fight,
But it hurt her like a blade.
The pain of being "touched"
Will never, ever fade.

No amount of "dresses"
Or make-up will conceal,
The scars she was given
She knows won't heal.

You left them all alone,
To fight a war too,
You left them with no weapons,
Don't you think that's cruel?

The tears are crimson.
The hair covered in gore.
You abandoned them to battle,
So they battle no more.

- Hifza Shahnawaz XII H

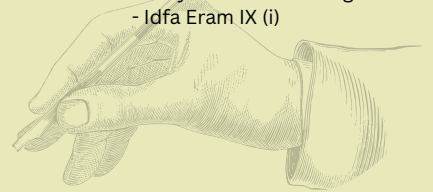

Yet

Humans are some weird beings
Who are always after something.
Relentless and boundless, yet so scared,
Beautiful and unique, yet compared.
Their beauty is disguised as flaws,
Hiding themselves to maintain the norms, the "laws",

How weird yet unique are their lives!
They live in a cage garnished with knives,
Yet they say, how eternally beautiful is my life!
As if death is not waiting for them.
Yet they strive, yet they love As if there is no end.

Yet they hate as if death is not their only friend
Yet they live not knowing tomorrow
Yet they smile knowing there may
Not be the end to their sorrow
They smile during the day, yet at night they weep.

Their hearts ache, yet they go to sleep.
Their eyes tired from crying,
Yet they are not afraid of trying.
So fearless and limitless are these beings
Who are always after something!
